Covid Safety

The safety of our congregation and visitors remains paramount. We ask that you continue to wear a face covering when attending a service, especially if you wish to join in with the singing. Hand sanitiser is available in all our churches. If you wish to use NHS Test and Trace, please sign the sheet on entry or check-in with the QR code. We will continue to maintain social distancing in the manner in which seating is arranged. The position regarding sharing the chalice remains under review and we will advise you accordingly of any changes. If you have any concerns please contact the Rector.

Service Booklets

It is really good to see so many at our 10:00am services. With the need to be Covid safe and protect the vulnerable at this time we would **urge you, if at all possible, to download the service booklet to your tablet/smartphone or print it off at home before you come to church.** A QR code is now available at the back of the church for you to download the order of service from one of our web sites.

Parish Finances

As we emerge from Covid restrictions regular activities that generate much of the income that serves to maintain our church, mission and fabric, are still not happening. Never the less, a large proportion of the usual expenditure to keep things going is still needed. If you can give the donation that you usually would in person, or more, it would help the Team to maintain your Church. You can donate to one of our churches by giving regularly by Direct Debit through the scheme Parish Giving Scheme. You can register over the phone by calling 0333 0021271. You will need your bank details and the relevant code for your churches.
